Subject: Notice of Commencement of Construction:
PSD Permit No. PSD-X80-09 and PSD-X81-01

Gentlemen;

Notice is hereby given of the commencement of on-site construction activities as required under the conditions of PSD permit No. PSD-X80-09 and PSD-X81-01. These permits were issued to Sohio Alaska Petroleum Company and ARCO Alaska, Inc. by the USEPA, Region X on June 13, 1980 and December 17, 1980, respectively.

At this time purchase orders have been placed for several turbines covered under each of the referenced permits, resulting in the commitment of substantial funds. In addition, gravel placement will begin during the summer of 1981 at several gathering centers and flow stations in preparation for new facilities at these locations. This notice is intended to be applicable to all facilities described in the above mentioned permits.

Please advise if further information is needed.

Very truly yours,

Mark R. Wagner
